

Session Program

20-22 Jun 2018

Emergent Symmetries in Particle Physics, Cosmology and Condensed Matter Systems

Afternoon session

Niels Bohr Institute, Auditorium D
Blegdamsvej 17 DK-2100 Copenhagen

Wednesday 20 June

14:15

Afternoon session

Session | **Location:** Niels Bohr Institute, Auditorium A

14:15–15:00 **Jan de Boer: "Emergent symmetries in AdS/CFT"**

Location
Niels Bohr Institute, Auditorium A

15:00–15:30 **Coffee**

15:30–16:15 **Netta Engelhardt: "Emergent Causality in Holography"**

Location
Niels Bohr Institute, Auditorium A

16:15

Thursday 21 June

14:00

Afternoon session

Session | **Location:** Niels Bohr Institute, Auditorium D, Blegdamsvej 17 DK-2100 Copenhagen

14:00–14:45

Marika Taylor: "Holography beyond conformality"

Location

Niels Bohr Institute, Auditorium D, Blegdamsvej 17 DK-2100 Copenhagen

14:45–15:15

Coffee

15:15–16:00

**John Toner: "Fish Gotta swim, birds gotta fly, I gotta do Feynmann graphs 'til I die:
A continuum theory of flocking"**

Location

Niels Bohr Institute, Auditorium D, Blegdamsvej 17 DK-2100 Copenhagen
