

Session Program

18-22 Mar 2019

**Simons Program: Amplitudes in String and
Field Theory**

Yvonne Geyer

Niels Bohr Institute, Auditorium A
Blegdamsvej 17 DK-2100 Copenhagen

Wednesday 20 March

16:00

17:00

Yvonne Geyer: The polarized scattering equations and superamplitudes in 6d

Session | **Location:** Niels Bohr Institute, Auditorium A, Blegdamsvej 17 DK-2100 Copenhagen
