

THE NIELS BOHR INTERNATIONAL ACADEMY

MSc Project Info Day

October 12th, 2018

Welcome to NBIA!

Goals

- Establish an informal forum for MSc students.
- Provide an overview of the diverse research areas conducted at the International Academy.
- Create contacts to NBIA researchers and potential MSc project supervisors.
- Receive feedback from students.

Program

Jake Bourjaily

Mike Trott

Michele Burrello

Martin Pessah

Irene Tamborra

Subodh Patil

Program

9:15 - 10:30 presentations

Jake Bourjaily - Theoretical Particle Physics

Mike Trott - SM Effective Field Theory / Phenomenology

Michele Burrello - Condensed Matter Theory

10:30 - 11:00 coffee break in NBIA kitchen

11:00 - 12:15 presentations

Martin Pessah - Theoretical Astrophysics

Irene Tamborra - Neutrino Astrophysics

Subodh Patil - Cosmology

12:15 - 13:00 lunch break in Auditorium C

13:00 - 13:30 guided tour with Niels Bohr Archive

THEORETICAL PARTICLE PHYSICS

Poul Henrik Damgaard	phdamg@nbi.ku.dk
Emil Bjerrum-Bohr	bjbohr@nbi.ku.dk
Michael Trott	mrtrott@nbi.ku.dk
Jake Bourjaily	bourjaily@nbi.ku.dk

THEORETICAL ASTROPHYSICS

Martin Pessah	mpessah@nbi.ku.dk
Oliver Gressel	gressel@nbi.ku.dk
Tobias Heinemann	heinemann@nbi.ku.dk

ASTROPARTICLE PHYSICS & COSMOLOGY

Irene Tamborra	tamborra@nbi.ku.dk
Jason Koskinen	koskinen@nbi.ku.dk
Markus Ahlers	markus.ahlers@nbi.ku.dk
Subodh Patil	patil@nbi.ku.dk

CONDENSED MATTER THEORY

Mark Rudner	rudner@nbi.ku.dk
Michele Burrello	michele.burrello@nbi.ku.dk
