

## The 8th International Ice Drill Symposium

Contribution ID: 59

Type: Oral

### subglaciator drilling probe : lesson learn

*Monday, 30 September 2019 11:20 (20 minutes)*

After the development of the SUBGLACIOR drilling probe, we get the opportunity to try this tool a few times close to the Antarctic Dome C station. We will present here the results of these three testing seasons.
