

## **Session Program**

**12 September 2019**

# **Innovation in food and ingredients industry with X-rays and neutrons**

## ***Session 1***

Frederiksberg Campus, University of Copenhagen, Copenhagen Plant Science Centre (Auditorium)  
Bülowsvej 21 A 1871 Frederiksberg C

## Thursday 12 September

10:45

### Session 1

**Session** |

**Location:** Frederiksberg Campus, University of Copenhagen, Copenhagen Plant Science Centre (Auditorium),  
Bülowsvej 21 A 1871 Frederiksberg C

10:45-10:50 **Introduction to session**

10:50-11:20

**Investigation of interfacial structure of fish oil-in-water emulsions by X-ray and neutron scattering**

**Speaker**

Prof. Charlotte Jacobsen

11:20-11:50

**Structural Transitions in Hydrocolloids and Links to Molecular Structure**

**Speaker**

Dr Florian Nettekoven

11:50-12:20

**“Hidden” structures in processed protein-rich food and materials**

**Speaker**

Dr Ramune Kuktaite

12:20
