

## **Session Program**

**2-7 Jan 2020**

# **Spatind 2020 - Nordic conference on Particle Physics**

***invited talks***

Skeikampen, Thon Hotel

## Friday 3 January

15:00

### invited talks

Session | Location: Skeikampen, Thon Hotel

15:00-15:45 **HL-LHC: Physics opportunities and experimental challenges (II)**

**Speaker**

Marumi Kado

15:45-16:30 **Gravitational waves (I)**

**Speaker**

Alex Nielsen

16:30

## Saturday 4 January

15:00

### invited talks

Session | Location: Skeikampen, Thon Hotel

15:00-15:45 **Neutrino experiments (II)**

**Speaker**

Francesca Di Lodovico

15:45-16:30 **Discovery potential in flavour physics**

**Speaker**

Marcella Bona

16:30

## Sunday 5 January

15:00

### invited talks

Session | Location: Skeikampen, Thon Hotel

15:00-15:45 **the Future Circular Collider**

**Speaker**

Michelangelo Mangano

15:45-16:30 **the Future Circular Collider**

**Speaker**

Michelangelo Mangano

16:30

## Monday 6 January

15:00

### invited talks

Session | Location: Skeikampen, Thon Hotel

15:00-15:45 **the Future Circular Collider**

**Speaker**

Michelangelo Mangano

15:45-16:30 **the Future Circular Collider**

**Speaker**

Michelangelo Mangano

16:30
