Session Program

27–28 May 2021

Where the Earth Meets the Sky

Poster session 1

online, Zoom Webinar

Thursday 27 May

13:30

Poster session 1: four posters
Session

13:30–13:35   **The AstroPath Image Acquisition and Segmentation Workflow**

Speaker
Benjamin GREEN

13:35–13:40

Automated morphological decomposition of galaxies in large imaging surveys

Speaker
Sarah CASURA

13:40–13:45

Building Seamless Whole Slide Multiplex Images in the AstroPath Project

Speaker
Jeffrey ROSKES

13:45–13:50

ODUSSEAS: a machine learning tool to derive effective temperature and metallicity for M dwarf stars

Speaker
Alexandros ANTONIADIS KARNAVAS

14:00
