

2nd Workshop on Cloud Organization (WCO2)

Tuesday, 17 May 2022

Shallow convection: session 4, chair: Jule Radtke - Public Library (09:15 - 10:30)

time	[id] title	presenter
09:15	[47] Mesoscale organization of trade-wind clouds: lessons from EUREC4A and questions	BONY, Sandrine
09:45	[6] Organisation of the trade-wind flower-clouds: driving processes and sensitivity	DAUHUT, Thibaut
10:00	[7] How well do large-eddy simulations capture the observed co-variability of trade-wind cloudiness and its environment?	SCHULZ, Hauke
10:15	[62] The role of three dimensional radiation in transitions from shallow to deep convection	VAN HEERWAARDEN, Chiel
