

## **Session Program**

**16-19 May 2022**

# **2nd Workshop on Cloud Organization (WCO2)**

***Wind, radiation and organisation***

Utrecht, Public Library  
Neude 11, 3512 AE Utrecht, the Netherlands

## Thursday 19 May

09:15

### Wind, radiation and organisation: session 10, chair Steven Boeing

Session | Location: Utrecht, Public Library, Neude 11, 3512 AE Utrecht, the Netherlands

09:15-09:45

#### Mesoscale organization of shallow convection: the role of rain and cold pools

**Speaker**

Raphaela Vogel

09:45-10:00

#### How well can we simulate mesoscale cloud organisation as observed during EUREC4A ?

**Speakers**

Pier Siebesma, Louise Nuijens

10:00-10:15

#### Low-level radiative cooling peaks in regimes of shallow convective organization

**Speaker**

Benjamin Fildier

10:15-10:30

#### Wind-responsive diurnal sea skin temperature for large-eddy simulations

**Speaker**

Reyk Börner

10:30
