

2nd Workshop on Cloud Organization (WCO2)

Thursday, May 19, 2022

Wind, radiation and organisation: session 10, chair Steven Boeing - Public Library (9:15 AM - 10:30 AM)

time	[id] title	presenter
9:15 AM	[73] Mesoscale organization of shallow convection: the role of rain and cold pools	VOGEL , Raphaela
9:45 AM	[50] How well can we simulate mesoscale cloud organisation as observed during EUREC4A ?	SIEBESMA, Pier NUIJENS, Louise
10:00 AM	[45] Low-level radiative cooling peaks in regimes of shallow convective organization	FILDIER, Benjamin
10:15 AM	[72] Wind-responsive diurnal sea skin temperature for large-eddy simulations	BÖRNER, Reyk
