

Session Program

11-15 Jul 2022

PhD Summer School on Neutrinos

Here, There & Everywhere

July 11-15, 2022
Niels Bohr Institute, Copenhagen

NBIA Summer School on Neutrinos: Here, There & Everywhere

Topical Seminar

Niels Bohr Institute, Auditorium A
Blegdamsvej 17 DK-2100 Copenhagen

Monday 11 July

13:30

Topical Seminar

Session | Location: NBI, Auditorium A

13:30-14:00 **Supernova neutrinos**

Speaker

Shashank Shalgar

14:00

Tuesday 12 July

13:30

Topical Seminar

Session | Location: NBI, Auditorium A

13:30-14:00 **Neutrino oscillation with IceCube (IceCube-DeepCore)**

Speaker

Tom Stuttard

14:00

Wednesday 13 July

13:30

Topical Seminar

Session | Location: NBI, Auditorium A

13:30-14:00 **Neutrino emission from starburst galaxies**

Speaker

Enrico Peretti

14:00

Thursday 14 July

13:30

Topical Seminar

Session | Location: NBI, Auditorium A

13:30-14:00 **Neutrinos in the early Universe**

Speaker

Rasmus Hansen

14:00

Friday 15 July

11:00

Topical Seminar

Session | Location: NBI, Auditorium A

11:00-11:30 **Decaying dark matter**

Speaker

Damiano Francesco Fiorillo

11:30
