

26th Capra Meeting on Radiation Reaction in General Relativity

Friday, 7 July 2023

Friday Morning: Talks - Chr. Hansen Auditorium (09:00 - 10:20)

-Conveners: Chris Kavanagh

time	[id] title	presenter
09:00	[93] Symplectic mechanics of a spinning particle around a Schwarzschild black hole	RAMOND, Paul
09:20	[47] Motion of spinning particles near Schwarzschild black holes: exact solution	WITZANY, Vojtech
09:40	[85] On the effective action of compact objects from full GR	KHERA, Neev
10:00	[42] Extended-body motion, local symmetries, and Petrov types	HARTE, Abraham

Friday Morning: Talks - Chr. Hansen Auditorium (11:00 - 11:40)

-Conveners: Chris Kavanagh

time	[id] title	presenter
11:00	[55] Extreme mass-ratio inspiral of a spinning body into a Kerr black hole	DRUMMOND, Lisa
11:20	[58] Asymptotic gravitational-wave fluxes from a spinning test body on generic orbits around a Kerr black hole	SKOUPÝ, Viktor
