

26th Capra Meeting on Radiation Reaction in General Relativity

Friday, 7 July 2023

Friday Afternoon: Talks - Chr. Hansen Auditorium (14:00 - 15:20)

-Conveners: Scott Hughes

time	[id] title	presenter
14:00	[75] Exact tridiagonalization of Teukolsky's radial equation	LONDON, Lionel
14:20	[64] Orthogonality and transitions between black-hole quasibound states	SBERNA, Laura
14:40	[41] Modeling the ringdown of binary black hole mergers	CHEUNG, Mark
15:00	[62] The Black Hole Perturbation Toolkit: an update	WARBURTON, Niels

Friday Afternoon: Talks - Chr. Hansen Auditorium (16:00 - 16:40)

-Conveners: Scott Hughes

time	[id] title	presenter
16:00	[87] Ringdown beyond Kerr	ZIMMERMAN, Aaron
16:20	[38] Perturbations of spinning black holes beyond General Relativity using Modified Teukolsky formalism	LI, Dongjun
