

Session Program

14-15 Mar 2024

**Nordic workshop on the Initial Stages in
High-Energy Nuclear Collisions (NowIS)**

New facilities: DIS and hadronic experiments

Friday 15 March

09:00

New facilities: DIS and hadronic experiments

Session

09:00-09:30 **(Experimental overview) ALICE Upgrade**

Speaker

Prof. David Silvermyr

09:30-10:00 **(Experimental Overview) FoCal project**

Speaker

Dr Nicola Minafra

10:00-10:20 **(Invited short talk) FoCal-H development**

Speaker

Laura Marie Dufke

10:20

10:35

New facilities: DIS and hadronic experiments

Session

10:35-10:55 **(Invited short talk) FoCal-H development**

Speaker

Shihai Jia

10:55-11:25

(Invited long talk) From Heavy-Ion experiment to the medical equipments

Speaker

Prof. Dieter Rohrich

11:25-11:40 **Strategy discussion on New facilities: DIS and hadronic experiments**

11:40
