

Session Program

24-29 Aug 2025

Small-angle scattering: Principles, data analysis and advanced modeling

Small-angle scattering

Niels Bohr Building, 2.O.G.064/070
Jagtvej 155, 2200 Copenhagen N

Monday 25 August

09:00

20:00

Small-angle scattering: Introduction and measurements at CPHSAXS

Session | **Location:** Niels Bohr Building, 2.0.G.064/070, Jagtvej 155, 2200 Copenhagen N

Tuesday 26 August

09:00

20:00

Small-angle scattering: Lectures and exercises

Session | **Location:** Niels Bohr Building, 2.0.G.064/070, Jagtvej 155, 2200 Copenhagen N

Wednesday 27 August

09:00

20:00

Small-angle scattering: Lectures and exercises

Session | **Location:** Niels Bohr Building, 2.0.G.064/070, Jagtvej 155, 2200 Copenhagen N

Thursday 28 August

09:00

20:00

Small-angle scattering: Lectures and exercises

Session | **Location:** Niels Bohr Building, 2.0.G.064/070, Jagtvej 155, 2200 Copenhagen N

Friday 29 August

09:00

20:00

Small-angle scattering: Lectures and exercises. Project work

Session | **Location:** Niels Bohr Building, 2.0.G.064/070, Jagtvej 155, 2200 Copenhagen N
