

Session Program

22 August 2011 to 2 September 2011

Strings, Gauge Theory and the LHC

Open Forum for Short Presentations

Niels Bohr International Academy, Auditorium A
Blegdamsvej 17 2100 København Ø Denmark

Wednesday 24 August

16:00

Open Forum for Short Presentations

Session | Location: Niels Bohr International Academy, Auditorium A, Blegdamsvej 17 2100 København Ø Denmark

16:00-16:20 **Null polygonal Wilson loops in full superspace**

Speaker

Song He

16:30-16:50 **The harmony of superstring disk amplitudes**

Speaker

Oliver Schlotterer

17:00-17:20 **Analyticity and renormalization in nucleon scattering**

Speaker

Alejandro Jenkins

17:30
