

Session Program

22 October 2012 to 11 January 2013

Research training course in Detector Technology for particle physics (22-26/10/12 + 7-11/01/13)

Hands-on training in detector technologies

Niels Bohr Institute, DK and Helsinki Phys. Dept, FI

Thursday 10 January

09:00

12:00

Hands-on training in detector technologies

Session | **Location:** University of Helsinki, Detector Laboratory, B306 - B308
