

Particle Physics and Cosmology: From the Smallest Scales to the Largest

Wednesday, 1 April 2009 - Friday, 3 April 2009

NBIA

Scientific Programme

News: When you arrive at the Niels Bohr Institute, Blegdamsvej 17, 2100 Copenhagen Ø., you will receive a blue folder in which you will find practical information regarding the conference. The registration will take place in Auditorium B, which is situated in building C, from 9:00-10:00. You can see a map of the Niels Bohr Institute here. Please enter through building C.
