

Session Program

26-28 Oct 2016

HEFT2016 workshop

HEFT session

Wednesday 26 October

09:30

10:30

HEFT session

Session

09:30–10:00

New Physics in the Higgs Sector - An Effective Theory Approach

Speaker

G Buchalla

10:00–10:30

The linear-non-linear frontier for the Goldstone Higgs

Speaker

Kirill Kanshin
