

Session Program

7-11 Nov 2016

Frontiers in particle physics: Flavor physics

Theory lecture

Niels Bohr Institute, auditorium A/B
Blegdamsvej 17 DK-2100

Monday 7 November

09:00

10:30

Theory lecture: Introduction to Flavor particle physics

Session | **Location:** Niels Bohr Institute, auditorium A/B, Blegdamsvej 17 DK-2100 | **Convener:** Prof. Yosef Nir

Tuesday 8 November

09:00

10:30

Theory lecture: Past: What have we learned ?

Session | **Location:** Niels Bohr Institute, auditorium A/B, Blegdamsvej 17 DK-2100 | **Convener:** Prof. Yosef Nir

Wednesday 9 November

09:00

Theory lecture: The open questions: flavor puzzles, flavor models

Session | **Location:** Niels Bohr Institute, auditorium A, Blegdamsvej 17 DK-2100 | **Convener:** Prof. Yosef Nir

10:30

11:00

Theory lecture: The open questions: flavor puzzles, flavor models

Session | **Location:** Niels Bohr Institute, auditorium A, Blegdamsvej 17 DK-2100 | **Convener:** Prof. Yosef Nir

12:30

Thursday 10 November

09:00

10:30

Theory lecture: Future: What will we learn?

Session | **Location:** Niels Bohr Institute, auditorium A, Blegdamsvej 17 DK-2100 | **Convener:** Prof. Yosef Nir
