

Frontiers in particle physics: Flavor physics

Thursday, 10 November 2016

Experimental lecture: CKM measurements, V_{ub} , $B \rightarrow D^{(*)} \tau \nu$ - auditorium A/B (11:00 - 12:30)

-Conveners: Ulrik Egede

Experimental lecture: CP violation measurements - auditorium B (14:00 - 15:30)

-Conveners: Ulrik Egede

Friday, 11 November 2016

Experimental lecture: Measurements of Flavour Changing Neutral Currents and other rare/forbidden decays. - auditorium A (09:00 - 10:30)

-Conveners: Ulrik Egede

Experimental lecture: Future of experimental flavour physics - auditorium A (11:00 - 12:30)

-Conveners: Ulrik Egede
