

# Workshop on Collectivity in Small Collision Systems

## Tuesday, 9 May 2017

### Session II - Aud. M (14:30 - 18:40)

time	[id] title	presenter
14:30	[7] Collective behavior in small systems	Mr ZHOU, Mingliang
15:00	[11] 2- and multi-particle cumulants in small systems	Ms GAJDOSOVA, Katarina
15:30	Coffee break	
16:00	[12] Collective behavior in small systems from the RHIC geometry and energy scan	Prof. VELKOVSKA, Julia
16:40	[13] Selected STAR results and more	Prof. LACEY, Roy
17:20	[15] Open discussion (Analysis Details)
